The National Commission on Military, National, and Public Service will be visiting Harrisburg to hear from you!

Come share your thoughts and ideas on the future of military, national, and public service in the United States. What are the benefits and value of service? How do we develop a greater desire to serve among people of all ages and in every community?

Please join us at 11 a.m. in Midtown 2 of HACC’s Midtown Trade and Technology Center for an interactive discussion with the Commissioners and a unique opportunity to provide your input to this Congressionally-established bipartisan Commission.
