Subject: Response to your Email of October 28, 2020

November 2, 2020

Mr. Hasbrouck,

NARA did not receive any pending FOIA requests from the National Commission on Military, National, and Public Service (Commission) upon its termination on September 18, 2020. However, the request you submitted to NARA on September 21, 2020 is nearly identical to the September 15, 2020 request you submitted to the Commission before its termination. This September 21, 2020 request is being handled by our office, to the extent it is seeking temporary records of the Commission that are subject to a retention period beyond the termination of the Commission pursuant to the General Records Schedule (GRS) for which NARA took legal custody. This request was assigned internal tracking number NGC20-638 and FOIAonline tracking number NARA-NGC-2020-001111. Both of these tracking numbers apply to the same request. This request is currently number 244 in our FOIA backlog. We estimate that it will take approximately 20 months to complete this request.

To the extent your request is seeking archival records, that portion of your request is being handled by NARA's Electronic Records Division (RRER). This email has been forwarded to RRER to address your request for an estimated date of completion of their portion of the request assigned tracking number ER0566.

With respect to the status of your two appeals challenging the denial of expedited processing for NGC20-038 and ER0566, you received a response to NGC21-001A on October 28th. We anticipate that you will receive a response to NGC21-002A this week.

Sincerely,
The FOIA Team
