Dear Mr. Hasbrouck,

We received your FOIA request for the Commission's final report on March 20, 2020. It was given the following tracking number, 2020-SP-16. The request has been granted in full, and the document is attached to this email. It can also be accessed at our website at <https://inspire2serve.gov/reports>. We have determined that the cost for processing your request amounted to less than \$25, so no fees will be assessed.

If you believe we have identified the wrong record or if you have any questions about this matter, please contact me at FOIA@inspire2serve.gov or 703-571-3760. Alternatively, you may contact the FOIA Public Liaison, Katie McSheffrey, at katie.c.mcsheffrey@inspire2serve.gov or 703-571-3747. For your reference, due to concerns related to COVID-19, our staff are primarily teleworking and so email is the fastest way to reach us.

Thank you for your interest in the Commission.

Sincerely,
Rachel Rikleen

Chief FOIA Officer
National Commission on Military, National, and Public Service

Please confirm that this request was received and forwarded to the members of the Commission.

Please also provide the estimated dates of completion of Commission action with respect to each of my pending FOIA requests, as I have requested repeatedly but unsuccessfully for months, and which the FOIA statute requires you to provide on request.

Peace,

Edward Hasbrouck

Attached please find a request for the Commission's final report.

As you know, the law establishing the Commission, as amended, requires that the report be published not later than today.

This request is made pursuant to both FOIA (with a request for expedited processing) and the Commission's statutory charter including the specific duty to release the final report not later than today.

I request that this message and attachment be forwarded to each member of the Commission.

Please reply to confirm receipt.

Peace,

Edward Hasbrouck
