<td>The Selective Service System has instituted a program to microfilm, on a continuing basis, the Registration Cards (SSS Form 1) of all registrants born in 1960 and thereafter. These records will be retained until the subject registrant reaches 85 years of age in accordance with the agency's retention schedule. This certifies that the records described on this form will be microfilmed in accordance with the standards set forth in 41 CFR 101-11.506. The original of this film will be considered the record copy and will be placed in a Federal Records Center after verification of the microfilm. No less than 2 copies of the microfilm will be used at National Headquarters for research purposes. The microfilm of these records will be inspected by the Selective Service System in accordance with the provisions of FPMR 101-11.507.2.</td>
