The War Resisters League is turning 100 years old in 2023, and our Anniversary Committee in NYC is hosting a virtual film showing and an in-person event to get the party started!

Please join us in person for a conversation about resistance movements past, present, and future with

- Southern organizer Mandy Carter, interviewed in the film
- Vietnam veteran and labor activist Greg Payton
- 1980s draft resister Edward Hasbrouck

Followed by an interactive discussion with the panel moderated by International Peace Research Association student activist Habiba Choudhury and Matt Meyer
